

PRS-15 Omega 24" Rifle

The PRS-15 Omega Series Rifle, is our premier long range offering in the AR platform. Available in two lengths, this rifle boasts a completely stainless steel 1:8 twist barrel, fluted and threaded ready for a suppressor or your choice of muzzle brake. The Omega utilizes our full length keymod handguards, allowing for user choice of bipod location options and a spacious upper rail compatible with night vision optics. For our longest range, yet light-weight solution, we have upgraded to your choice of Magpul PRS or Command Arms SRS sniper stocks with optional rear leg. A 7075-T6 aircraft grade aluminum forged lower receiver adds to the durability and reliability.
