

PRS-16 CQ LE Rifle

The PRS-16 is the select fire tactical solution for Law Enforcement and Military Operations Teams. These machine guns are available in a variety of lengths, handguard and stock options, however we stock 2 standard models for immediate delivery. The PRS-16 is a purpose built select fire rifle based on our match grade 7075-T6 aircraft grade aluminum forged lower receiver for durability and reliability, offered in either full auto or burst fire configurations.

KEY HIGHLIGHTS

- » 100% MADE IN THE USA
- » 7075-T6 aircraft grade aluminum forged lower receiver
- » As with all of our receivers, they are all hand de-burred and sanded before Type-III Hard Anodizing for a tight, custom level fit, right out of the box, increasing overall accuracy of the weapon
- » 6 position collapsible stock
- » Optional Magpul Aluminum Trigger Guards
- » Optional Single Point Sling receiver endplates
- » Optional Ergo Sure Grips
