

## PRS-15 M4 Bravo

The PRS-15 M4 Bravo Rifle, is the gold standard traditional AR platform rifle. Available in a variety of lengths and options, our economical models are no less the workhorse than our more complex versions. The M4 series comes standard with polymer carbine handguards with available Magpul MOE series options. A 7075-T6 aircraft grade aluminum forged lower receiver adds to the durability and reliability.

## KEY HIGHLIGHTS

- » 100% MADE IN THE USA
- » 7075-T6 aircraft grade aluminum forged lower receiver
- » As with all of our receivers, they are all hand de-burred and sanded before Type-III Hard Anodizing for a tight, custom level fit, right out of the box, increasing overall accuracy of the weapon
- » 6 position collapsible stock
- » Magpul Aluminum Trigger Guards
- » Single Point Sling receiver endplates
- » Ergo Sure Grips
